

## Classified Ads for Plantation Residents

As a courtesy, the POA offers to residents of Hilton Head Plantation **FREE** classified ads on the Plantation's Website (to be posted by the Webmaster).

We believe this provides residents with a convenient opportunity to offer to their neighbors (or acquire) useable merchandise that is still serviceable but no longer needed. The categories for classified ads on the Plantation's Website are:

- FOR SALE
- FOR RENT
- CARS FOR SALE
- WANTED
- FREE
- JOB OPPORTUNITIES
- LOST & FOUND
- BABYSITTING SERVICES
- SERVICES OFFERED

Of course, there are a few rules and some caveats with this feature. No classified ad may compete with locally available commercial services or with paid advertising in *Plantation Living*. For example, an ad for elderly care giving would not be permitted because there are a number of such local services; however, an ad for babysitting services would be permitted. The POA retains the right to refuse classified ads that are political or socially questionable, divisive, illegal, or immoral. Each classified ad will automatically display for ninety (90) days or can be deleted (by the Webmaster) at the request of the resident advertiser, whichever comes first. Residents may submit a classified ad at any time (via email is requested), providing the following information:

1. Resident's Name, Address, and Telephone Number
2. Classified Ad Category
3. Text of the Classified Ad (50 words or less)

Deliver your clearly printed or typed classified ad to the POA Service Center or, preferably, send your classified ad via email to [dmcallister@hhppoa.org](mailto:dmcallister@hhppoa.org). When you want the ad removed, please send your request to [dmcallister@hhppoa.org](mailto:dmcallister@hhppoa.org).

Please check the Plantation's Website periodically as new ads appear often. To view your neighbors' ads,

- Access the Plantation's Website – [www.hiltonheadplantation.com](http://www.hiltonheadplantation.com)
- On the left-hand tabs, click **CLASSIFIEDS & ADVERTISING**.
- On the Classifieds Ads page, select the category of interest and scroll down through the available items.

If you have questions about submitting a classified ad or with using the Plantation's Website, please contact Denise McAllister at 681-8800 ext. 244.

Thank you.
